Wellbeing Planner

This is a wellbeing planner for young people, or adults, to help to build positive emotional wellbeing. It has one positive wellbeing idea for every day for a month.

According to Psychology Today, the definition of emotional wellbeing is "the ability to practice stress-management techniques, be resilient, and generate the emotions that lead to good feelings."

- Wellbeing Planner
 - ⇒ One positive way to build positive emotional wellbeing for each day in a month.
- Wellbeing Planner (blank)
 - ⇒ Create your very own wellbeing planner use the completed planner for inspiration, we are all unique and individual, the best way to build positive emotional wellbeing is to find the ways that are the most uplifting for you and list them in your very own wellbeing planner.
- SCENIC path
 - ⇒ Take the SCENIC path to emotional wellbeing use these ideas as inspiration for your wellbeing planner. What areas are currently going well, which areas have you been neglecting recently... could you add something connected to this area to your wellbeing planner?
